Newsletter

October 2011- January 2012 Inclusive

www.v-vrc.com

To all VVRC members.

From the new year a brand-new initiative will be launched at the club that will save you money!!! Once you have undertaken your help day as outlined in the conditions of joining the club, if you then help again in the same year you will be entitled to a £5 discount off your membership the following year and it doesn't end there . If the member does a third help day, then they can have an additional £5 discount and so on. You can gain up to a maximum of a £15 reduction. And any additional help days will be more than welcomed.

As a committee we are finding it increasingly difficult to ensure that members adhere to the conditions of their membership and we still have some members that are not helping at club events.

So the decision remains that if you have not helped at a VVRC event during the year there will be no subsidies for these members, including championships.

REPORTS

Junior & Senior Outdoor Show Jumping Qualifier

Llandyrnog, Denbigh - Sunday 26th June 2011

What a fab day it was, the weather was fantastic & the venue was the most spectacular setting I've ever seen..

All of our competitors competed brilliantly well, and are a credit to the club. To be fair, the show-ground was rather "agricultural" to say the least, Ring 1 which housed the Open & Intermediate comps was set on a sloping hill, which posed quite a few riding challenges for the competitors, I suspect the course builder may have felt inspired as it was Hickstead Derby day that day, so I think they deliberately chose difficult terrain on which to build the course.. Ring 2 which housed the Novice course was flatter & more typical of the terrain for a show jumping course.

Anyway, down to business, our first competitor to compete was Kat Morgan riding Davies in the Open, the fences in the open are up to 1.15 m, so its a decent track by anyone's standards. Kat rode brilliantly and rode a clear round in both the first and second rounds and qualified for the jump off, the jump off course was very challenging, but Kat rode really well, just having 4 faults, and she finished in 3rd place.

The Intermediate followed, we had Kat riding Bechan Delinquent, Sian Bates riding Basil & Rachel Tudor Davies riding Hello Again Classy Lady. Kat & Del jumped a double clear, Sian & Basil had just 4 faults in each round, Rachel had 4 faults in round 1 & a clear round in the 2nd round. The team finished in 6th place.

Kate Curzon competed in the Novice on her beautiful mare Cassandra v/n Berekenshof, Kate jumped clear in each round, and qualified for the jump off, she had just the last pole down in the jump off and finished 6th.

We would have had two competitors in the novice, however, Laura Weavers passport was checked prior to the competition and found to have missed a vaccination by a month about 4 years ago.. so sadly Laura had to withdraw.

In summary, it was a good outing by VVRC competitors, a fantastic day was had by all, including the horse flies..

Karen Rees.

Camp at Bow House 13th - 15th May 2011

Well I believe that this year's camp was the best ever - but I seem to say that every year. Fifteen people attended for two or three days. The facilities are fantastic and as usual JP and Caroline inspired us all with their enthusiasm and brilliant teaching. As show jumping is their passion most of the two lessons per day were geared towards that, whilst incorporating flatwork and cross-country. On Friday evening Sally Gregory gave a very interesting talk on horse nutrition and supplements. Then on Saturday evening Alison Gregory gave us a brilliant talk on grid work and show jumping. Then she got our brains working with some very clever quizzes.

But the highlight of the weekend was J P's show jumping demonstration. He had the crowd egging him on to jump higher and higher (of which he obliged)

At the end of the weekend we all went home full of confidence, with great ideas on improving our riding and our horse's way of going, but very tired, but very happy!

Many thanks to everyone who helped, it made it a happy relaxed, fun time.

Offchurch 2 day event!

May 28/29th 2011

We had 2 teams, 1 novice & 1 open. The Novice team- Sian Bates, Rachel Tudor Davies & Sam Davies. Unfortunately as a team of 3 we don't have the chance to make many mistakes as every score counts! However we managed a very respectful 8th, everyone completed & thoroughly enjoyed!

The open team, Katie Ellis, Kat Morgan, Anna Jones & Sarah Roberts, Well they couldn't have done any better as they won! Fantastic result for all as both XC courses were certainly dwindling out the weaker ones. Anna also came individual 1st & Katie 8th.

Keep next years date in mind! 26/27th May 2012

Area Dressage 2011

Just one open team from VVRC travelled to near Middlewich for this year's area dressage competition. It consisted of Suzanne Jenkins who did the Elementary test but also a Medium as an individual, Sally Evans, Kate Kurzon and Kat Morgan (who stepped in at the eleventh hour) , who all did Novice Tests. Unfortunately it was not to be our day. The only member to be placed in the Area Test was Kat, who finished 6th in her arena. However there was consolation for Suzanne when she was placed 2nd in her Medium Test. Thanks to all four of you for making the effort to travel to represent the club.

Andrew Murphy Demo

We had a fantastic turnout for the Andrew Murphy Demo and what a wonderful demo it was. Andrew explains things so clearly and everything he says makes sense. So very many of you said how much you had enjoyed the demo and how much you would like lessons with Andrew. We are trying to arrange something with him. We had lots of favourable comments from the 26 members who enjoyed having free admission to the demo as a small thank you for helping.

Llanymynech Hunter Trials 2011

Once again we were very pleased with our Hunter Trials, everything ran smoothly. Lots of riders seemed to have a good time and the course rode well, no serious accidents to riders and no horses needed a vet.

Most of the profits are going to the Brooke Hospital which helps the desperately needy working horses and donkeys of very poor people in third world countries by providing veterinary treatment, care and advice. The rest will be sent to World Horse Welfare, formerly the ILPH, who do tremendous work in this country and abroad.

Lots of our members entered the various classes and three were placed. They were Paula Jefferson, riding My Golden Lily who was 2nd in Class 3, Glenwen Davies, riding Ben who was 3rd in Class 3 and Alison Harper, riding Foxlaws Donovan who was 5th in Class 5.

Once again we had a fantastic band of helpers, 80 in total, and we are most grateful to them all for giving up their time to help.

I shall list the Riding Club members who helped.

CLUB SHOWJUMPING COMPETITION 2011

Yet another season started off with a bang, with the following shows failing to live up to the promise of April, in terms of attendance. It must be that we start our shows early enough in the year, such that there are no other available events for competitors in April, perhaps!!! Never mind – all those who did support us seemed to enjoy themselves and that gives us great satisfaction too.

Our apologies that we were forced to cancel the August competition due to Terry's suffering from vertigo, which turned out to be short-term, thank goodness. However, competition was as fierce as ever. This season, 25 members managed to score points to be considered for the championship. For the first time in eight years, we have a new champion. Congratulations to **Paula Cartwright** and her horse, Casper. She was a consistent points scorer at every show and fully earned her success. In second place was our previous champion, **Louise Harrison**, and third, for the second year running, was **Karen Morley**. Well done to them all.

It's worth mentioning that **Alice Newby** and **Tara McDermott** were equal fourth and not far behind the top three. So, the competition really was strong for the top positions. We take this opportunity to thank everyone who attended our events for their support. Our thanks are extended also to Hazel and Jonathan Radford once again, for the use of their splendid arena and show jumps.

We hope to organize the club competitions again next year – so, please make sure you look out for our 2012 dates and tell all your friends. If you haven't joined us for any of the events so far, please give it a try next year – we always aim to make it fun.

Training One Day Event

Once again the day was a great success. We had 17 entries and the day was run as close as possible to an affiliated event. The weather was good except for one heavy shower that managed to soak everyone.

I have to say a big thank you to our helpers:

Lynn Lewis for judging the Dressage and Vanessa Evans for writing. Debbie Hunter for stewarding, she kept everyone moving along nicely and Karen Morley for scoring.

The show jumping was overseen by James Dawson who ran around encouraging competitors and picking up the poles. He was ably assisted by Karen Booth who scored and was just as encouraging as James.

The cross country was judged by the competitors, the ones who had ridden jump judged for the others and then they changed around. It worked well.

A group of members came along and helped mark the course; they were Alison Harper and husband, Jan & Beth Lawrence and Rachael Mills and Tom.

Another big Thank You to Lynn Lewis who drove around the course checking everything before the horses went and staying around in case of any problems. You were a great help Lynn.

Just one more, thanks to Sue Biltcliffe who helped organise the day and helped with marking the course. She was wonderful with her magic box which included most things for numbering fences!!

I am sorry if I have missed anyone out but lost my list!!!

Carol
